

Why Daddy Went Bald?

And other curious questions about the human body

Age
7+

ENGLISH
TEXT AVAILABLE

Our first book invites the reader to take part into a fascinating, funny and always surprising journey through the human body.

Using questions frequently asked by kids as a starting point, the book presents some of the main systems of the human body, their functions, importance and idiosyncrasies. The content is aligned with recent research and reviewed by doctors and specialists.

Written by Clarice Uba
Illustrated by Studio Gaz

25x30 cm • 40 pages
