**Sometimes unexpected solutions can help fulfill our wishes . . .**

Antonio can already read, but he prefers to do so with someone else. He asks his mother whether she would read a book with him, but she is busy. So Antonio decides to hit the streets only to find that everyone is busy: the baker, the grocer, the postman, the newswoman . . . Finally, a blind old man sitting on a bench calls him over and asks if he'd like to spend some time together. Excited and happy, Antonio grabs his book and starts reading to the old man.
